The place is huge: we once held a buffet here for 60 people without a hitch - it's perfect for serious entertaining. The granite kitchen counter makes an ideal party bar, and there's a wine cooler and icemaker. Behind the kitchen is a private office/pantry with bookshelves, in case you want to plug in your computer and work your fool head off instead of enjoying the beach - but hey! It's your vacation! Next to the kitchen is an extra bath with a shower that also serves as a powder room. A big flat-screen TV sits over the living room fireplace - just the thing for romantic evenings. The laundry with washer/dryer is almost as big as some of our competitors' motel rooms! And the bedroom (either #268B or 268C) is a master suite with a huge bath, Jacuzzi and mini-kitchen - in case it's too far to walk to the main kitchen for the champagne.
